

SYMMONS[®] Deluxe Temptrol[®]
the smart choice[™] OP Series

Symmons Deluxe Temptrol[®] OP Series features our Remodel Cover Plate which facilitates conversion from any single, two or three handle valve installation without the cost of wall removal or re-tiling. Every Symmons Deluxe Temptrol[®] OP Series tub and shower system features the legendary Symmons Temptrol[®] Pressure-Balancing mixing valve. Constructed of solid brass, bronze and stainless steel, and featuring a piston that adjusts automatically to instantly and continually equalize or “balance” the hot and cold pressure as demands are made elsewhere in the plumbing system. Symmons Temptrol[®] puts an end to “Shower Shock” and provides a safe comfortable shower every time.

Symmons Deluxe Temptrol[®]
OP Series is available
