# 5401CRT Machine Cart Assembly Instructions

#06670

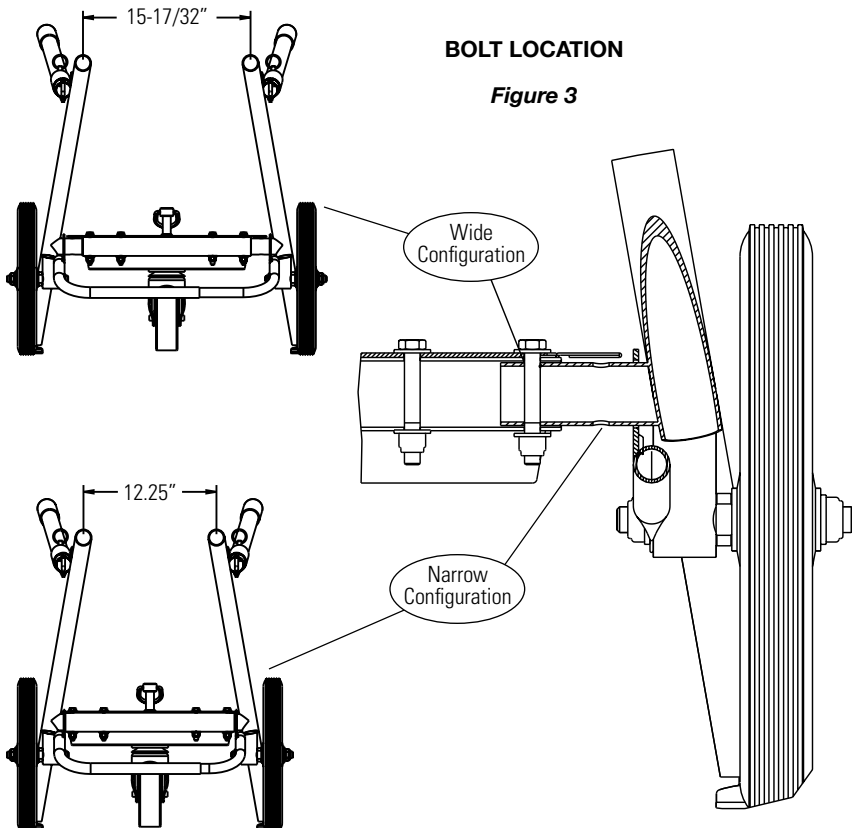

Figure 2

1. Assemble left and right side to front and back crosslinks. Ensure the cart stops are put in place at this point. Tool tray needs to be in place before inserting bolts. See Figure 1.
2. Leave all fasteners hand tight until cart is completed.
3. For narrow or wide cart configuration, use bolt holes shown in Figure 3.
4. Install handles (see Figure 2) with bolt and quick release pins.
5. Mount threading machine (see Figure 1) for proper bolt holes for the machine being used.
6. After machine is mounted, tighten all fasteners.
