

FLUSHMATE®

Genuine Replacement Parts

Effective Date: December 1, 2016

501-B Series
(Discontinued)

504 Series

503 Series

Flushmate® Component Parts

Before starting your repair project, write down the model number, serial number, and Series number located on the Flushmate vessel label inside the toilet tank. Also have handy the name of the manufacturer of the toilet. With this information, you can identify the replacement part you need.

This price sheet is organized by Flushmate Series. Begin with the Series number and move on down to the part that you are looking to replace. A visual representation of the models, assemblies and parts are included inside to help with determining the correct replacement part.

Flushmate products cannot be retrofitted to existing gravity toilet bowls. Please see “Complete Change-Out Kits for Two-Piece Toilets” section for specific change-out information of non- Flushmate pressure toilets.

Flushmate Label

Model, Serial and Series numbers found here.

Discontinuation of the Flushmate II, 501-B Series

Effective November 15, 2013 the Flushmate II, 501-B Series will no longer be manufactured. Customers that own a two-piece toilet with a center push button in the lid of the toilet tank will have the option of replacing the discontinued unit (identified below) with the Flushmate III, 503 Series. The replacement unit is part number M-101526-F3B (shown at right), and includes a Flushmate 503 Series System (push button not included).

Customers with a discontinued unit with a left or right hand flush handle will have the option of replacing their unit with a Flushmate III, 503 Series, part number M-101526-F3BK (shown far right). This part number includes a Flushmate 503 Series System, Handle Replacement Kit and Discharge Nut Wrench.

M-101526-F3B
For 2 piece toilet with center push button in lid of toilet tank

M-101526-F3BK

Flushmate Standard Terms and Conditions

Freight Terms

All shipments are F.O.B. Factory (New Hudson, Michigan), and are prepaid and charged.

Payment Terms

Cash discount 2% - 15 days net 30 days

A 2% discount is offered for payment on or before 15 days after the date of invoice with the net due 30 days from invoice date, subject to a service charge of 1% applied monthly to all late payments. Any conditions or terms of payment on purchase order which are contradictory to our cash discount offer shall be of no effect.

Remit To

Flushmate, Dept. 771273, P. O. Box 77000,
Detroit, MI 48277-1273.

Minimum Charges

On all orders having a small net value we reserve the right to apply a \$25.00 net minimum charge.

Note: The prices herein are subject to change without notice and supersede all previous prices. The possession of this price sheet by any person is not to be construed as an offer to sell him, nor anyone else, the goods listed herein at the price or terms stated.

Return Goods Authorization Policy

- A Return Goods Authorization (RGA) number must be obtained from Flushmate before returning any product. Any returns received without the RGA number will delay the processing of the return and may result in the material being discarded or returned freight collect.
- RGA will only be issued for materials that were invoiced by Flushmate within the last 90 days.
- The RGA number must appear on all documents and packaging.
- All returns must be shipped at customers expense.
- Product found to be defective upon inspection and determination by Flushmate is eligible for replacement only; no credit will be issued.
- Unless shipped in error by Flushmate, non-defective product will be subject to a 25% restock fee.
- Credit can only be issued for product received in re-sellable condition (never installed, in original package).

Please contact us at the telephone number listed below if you are in need of an RGA request form.

Shortages and Damaged Material Claims

Claims for shortages or incorrect filling of orders or to report a damaged material must be made within 15 days from the date of delivery. No claims made beyond this date will be honored. Deliveries that are short carton(s) or have damaged carton(s) must be reported immediately. Damaged carton(s) must be kept for Carrier Claim Inspector (Recommend taking picture of damaged box upon delivery).

For support outside the United States, visit our local contact website at <https://www.flushmate.com/wheretobuy/international.php>.

Flushmate products cannot be retrofitted to existing gravity toilet bowls. Please see "Complete Change-Out Kits for Two-Piece Toilets" section for specific change-out information of Flushmate pressure toilets.
