

ALUMINUM WATER TRANSFER PUMP

APPLICATIONS

Ideal for general purpose use where portability is required such as water* transfer and contractor dewatering applications.

FEATURES & BENEFITS

- Durable cast iron semi-open style impeller
- Lightweight aluminum construction with base and handle for portability
- Easy to prime to 25'; no additional priming required after initial fill
- Built-in check valve
- EPA certified
- Includes 1" adapter

**This pump is designed for pumping water only.*
