REDLITHIUM™

DISRUPTIVE PERFORMANCE. ULTIMATE CONTROL.

MILWAUKEE® continues to drive layout innovation with the introduction of two laser solutions on the M12™ System and three Lasers powered by REDLITHIUM™ USB. M12™ Lasers deliver all-day run-time, best visibility*, and faster set-up. The USB Rechargeable solutions are designed to tackle frustrations with current alkaline-powered solutions, eliminating the dependency on disposable batteries. All of the MILWAUKEE® lasers are engineered with a focus on power, visibility, and set-up in order to increase productivity on the jobsite.
