ICON GUIDE

1.0 GPF

Using only 1 gallon per flush, 1G toilets provide the most efficient flush in the industry.

DYNAMAX TORNADO FLUSH®

WATER SAVING

Water efficient toilets designed with 1.28 gallons per flush or less.

CEFIONTECT®

Ultra-smooth ceramic glaze leaves nowhere for waste to cling.

UNIVERSAL HEIGHT

Toilet height that allows for a more comfortable height position across a wide range of users.

ADA

Product complies with Americans with Disabilities Act guidelines.

WASHLET®

An electronic bidet seat featuring adjustable warm water cleansing, heated seat, dryer, deodorizer and much more.

Air rich water droplets to produce a more comfortable washing sensation and deliver more thorough cleansing with less water consumption.

EWATER+®

PREMIST®

Using the incoming water supply, PREMIST® sprays the toilet bowl surface aiding in the elimination of waste approximately 80 percent better than a dry bowl.

AUTO FLUSH

No need to touch buttons or handles and never worry about someone forgetting to flush — it's automatic after each use.

AUTO OPEN / CLOSE LID

Eliminating the need to touch the toilet surfaces, the lid automatically opens and closes when the toilet is approached and departed.

DEODORIZER

Highly effective deodorizing automatically takes places inside the toilet bowl both during and immediately after use, leaving no disturbing odors.

HEATED SEAT

The moment you approach the toilet, the seat begins rapidly warming to a comfortable temperature.

WARM AIR DRYER

Enjoy the ease and comfort of drying with the temperature-adjustable warm-air dryer.

TOTO®

WASHLET®+ CLEAN SYNERGY

CEFIONTECT®

TORNADO FLUSH not only cleans more effectively, it does so quietly using less water. Powerful streams of water merge and swirl 360 degrees, washing every spot inside the RIMLESS toilet bowl.
