Belfield™ Kitchen Suite

Traditional style that's anything but ordinary.

Williamsburg-era details and intricate design cues give Belfield faucets timeless presence as multiple platform, style and finish selections add distinctly personalized touches to the traditional styling. Pulldown faucets are equipped with Moen's game-changing Power Boost™, featuring a four-function spray wand with aerated stream, powerful cleaning rinse, as well as boosted stream and boosted rinse options. For touchless options, consumers can choose between the U by Moen™ Smart Faucet with voice activation, or the one-handle pulldown featuring MotionSense Wave™ with a single sensor. Coordinating kitchen complements help complete the look of the kitchen.

AVAILABLE FINISHES

-  Chrome
-  Spot Resist™ Stainless
-  Oil Rubbed Bronze
-  Matte Black
