ORDERING INFORMATION

FILTRATION

WASHABLE FILTER

- For large particle filtration
- Easy to clean every 1-2 months
- Simple to remove and replace

INSTALLATION

SURFACE MOUNT KIT

- Slim profile
- Easy installation
- Ideal for masonry or CMU block wall applications or when through-the-wall installation is not available
- Powder-coated metal provides polished look to blend into any environment

2X4 WALL MOUNT BEZEL KIT

- Slim profile
- Easy installation
- Ideal for applications with a 2x4 cavity without having to cut a hole in both sides of the drywall
- Powder-coated metal provides polished look to blend into any environment

REAR PANEL KIT

- Easy installation
- Ideal for 2x4 cavity applications that require covering the back of the dehumidifier or to conceal gaps in drywall
- Powder-coated metal attaches to rear of dehumidifier providing a polished look to blend into any environment
